Inasmuch as the Certificate of Civil Employment, NavSanda-FB/67OXR 6-50, which you requested me to submit, does not provide for the circumstances of my present service in a civilian capacity, the following is submitted in lieu thereof.

I certify that I am under contract to the Central Intelligence Agency, United States Government, as an intermittent consultant and then reimbursed under that contract by a fee of \$50.00 for each day on which consultation is requested. I am informed by the General Counsel of the Central Intelligence Agency that under these circumstances there is no need for withholding my retired pay in whole or in part, including pay for those days on which I receive a fee for consultation. He states that his opinion is based on rulings of the Comptroller General, specifically 26 Comptroller General 501 (B-62616) and 28 Comptroller General 381 (B-80106), and on consultation with the Office of General Counsel to the Comptroller General.

In the event you wish further information in respect to these circumstances, please address me or write directly to the General Counsel of the Central Intelligence Agency, 2430 "E" Street, N. W., Washington 25, D. C.
